

VOX POPS: What has attracted you to the forum this year?

Natalia Sidorova

I have taken part in all previous legal forums here. Now we have the legal forum for young lawyers at the same time and that is very interesting to me.

Olga Mazur

The forum is always on top of the most significant issues. This year there seems to be an emphasis on developing Russian law and the major changes in the past year.

Irina Monina

This year there are discussions surrounding new Russian instruments for limited partners. Our company is the first to try to create an investment partnership in the Russian legal system with this new instrument.

Sergey Spasenov

The forum is an opportunity to hear about the tendencies of our foreign peers. This year we will discuss how the new Supreme Court has affected dispute resolution in the past year.

Vera Kolesnik

I'm attracted by the audience that attends: the brilliant legal minds of Russia and abroad. There are great general topics as well as smaller topics like personal data and antitrust.

I have come to St Petersburg for five days for the forum, and always enjoy returning to the city as I was once a student at St Petersburg State University.

Jianan Guo

The forum is a great opportunity to meet people and attend worthwhile sessions. I am particularly looking forward to the anti-corruption session on Thursday.

Wijeyadasa Rajapakse

I am here to discuss the rule of law at the forum. Secondly I am here to sign three bilateral agreements on behalf of Sri Lanka.
